General Information

Sombbrero Festival, Ltd. Is a 501 (c) (4) Non-Profit Corporation established in 1985 for the first Sombbrero Festival in 1986. Our purpose is to operate Sombbrero Festival held during Brownsville's annual Charro Days Fiesta Celebration. The three-day event opens on the last Thursday in February each year and is staffed completely by volunteers. Average annual attendance is 60,000+ which generates gross revenues of over \$1M annually. Local non-profit groups operate our beverage, gate, ticket booths, and volunteer in other areas and in return receive a donation to their organizations. Direct donations may be made to other organizations and/or causes for projects that promote recreation, tourism, beautification, or higher education. To date we have re-invested in excess of \$5 million in our community, and over the last 3 festival years have made donations of over \$250,000.00 to non-profit organizations and causes. We provide a family oriented, safe and secure venue, keep our gate prices low relative to the entertainment lineup, and offer free admission times so that our festival may be enjoyed by a broad segment of the population from across the continent.
